

Over 30,000 educators and youth groups have discovered this highly motivating, budget-wise teaching tool!

What is Estes Educator?

Estes Educator provides all the resources teachers need to bring new insight and enthusiasm into all learning environments, with the help of Estes model rockets. Easy-to-use lesson plans — developed by respected educators and matched to National Learning Standards — make it fun to learn!

“The most creative way I’ve seen to integrate core subjects.”

— HW, Kansas City, MO

“My favorite lessons I’ve ever done in my entire teaching career!”

— SM, Greensboro, NC

Free Curricula — Perfect for STEM Education

Free lesson plans are available for all grade levels in a wide variety of subjects, including Math, Science, Technology, Social Studies and Language Arts. Each plan clearly outlines the objectives, materials, activities and teaching content to achieve learning Benchmarks and incorporate Key Words. Estes Educator provides the perfect tools to help prepare students for the 21st century with STEM education.

Expert Support

Through Estes Educator, everything necessary to launch a successful classroom model rocketry program is readily available. We have a wide variety of resources, including a web site, newsletters and other useful publications. Like you, the professionals at Estes Educator are absolutely dedicated to encouraging and inspiring students.

About Estes Model Rockets

Estes Model Rockets, founded in 1958, is the world’s leading manufacturer of reliable, high-quality model rockets. Our products are:

- 100% compliant with Consumer Product Safety Standards;
- Endorsed by NASA, U.S. Space Camp, the U.S. Army and U.S. Air Force;
- Credited with over 315 million successful launches!

“Building, decorating and launching their own rocket is an achievement no child ever forgets.”

— AW, Washington, IL

“Model rockets can inspire the next generation of rocket scientists!”

— TT, Denver, CO
